Jill Thompson
4th Grade Classroom Teacher
Colchester Public Schools

To:
Elise Butson
Principal
Jack Jackter Intermediate School

Dear Elise,
It is with mixed emotions that I formally resign from my position at Jack Jackter Intermediate School effective on August 18, 2021. I have taken an unexpected opportunity to progress my career in another district.

It has been a pleasure working at Jack Jackter for the past 6 years. There will always be a special place in my heart for Colchester Public Schools where I started my teaching career after college. I have grown tremendously as a teacher, created many professional relationships, and formed friendships that will last a lifetime. I am grateful for all that I have learned and the opportunities I have had in this district. I will miss my Jackter family!

Please let me know if there is anything I can do to make the transition easier for a new teacher. I wish only the best for the staff and students at Jack Jackter and Colchester Public Schools.

Sincerely,

Jill Thompson
